HARBOUR MASTERS REPORT 6th of September 2023 Part 1

MOORINGS

This year has seen a general increase across the board in ration to occupancy, ironically whist the sentiment is activity on the water has reduced.

<u>OCCUPANCY 2022</u>	
<u>Y Felinheli</u>	<u>91%</u>
<u>Quay Wall</u>	<u>90%</u>
<u>Trots</u>	<u>76%</u>
<u>Aber foreshore</u>	<u>66%</u>
<u>Dock Victoria</u>	<u>98%</u>

<u>OCCUPANCY 2023</u>	
<u>Y Felinheli</u>	<u>89%</u>
<u>Quay Wall</u>	<u>100%</u>
<u>Trots</u>	<u>90%</u>
<u>Aber foreshore</u>	<u>79%</u>
<u>Dock Victoria</u>	<u>98%</u>

Crane out is booked for the 20th October. First lift expected 1100, the tide is slightly later than the usual midday HW in previous years. We are currently collating the crane out list, anticipate similar numbers to previous years. Galeri have requested an altered shape to the compound that I have happily agreed to accommodate (number of vessels dependant).

Pilotage

No Acts have been undertaken during July or August.

Anticipating the Deo Gloria early September. This year has been very low in the number of Acts below is the annual Acts to date.

MV Amadeus Diamon	20/05/2023	Port Penrhyn	Puffin

SEIONT IV

The vessel is afloat and ready for service. The vessel has been fully painted topsides. And the vast majority of the antifouling has been undertaken. When appropriate the vessel will transit to Port Penrhyn to dry on the grid to have the remaining antifouled.

Y FORYD

The vessel is afloat and ready for service. The vessel has been deployed on Patrol duties most days during the season. I anticipate a slowing of Patrols as the season draws closed to an end.
